The Principal,
J.J.M. Medical College,
Davanagere.

Respected Madam,

Subject: Request for permission to conduct a skit on the theme "Bridging the Gap Between Doctors and Patients Through Communication"

We, the students of the 8th semester B.A. LL.B., program at R.L. Law College, are currently studying *Alternative Dispute Resolution Systems (ADRS)*, as a practical subject that emphasizes legal awareness through interactive methods such as skits.

As part of this initiative and as a part of Golden Jubilee Celebration of the college, we would like to present a skit at J.J.M. Medical College, a prestigious institution in Davanagere. While the title of the skit is yet to be finalized, its central theme will be "Bridging the Gap Between Doctors and Patients Through Communication." The skit aims to highlight the significance of effective communication in the doctor-patient relationship in handling the emergency situation and will be particularly relevant to medical practitioners.

Our performance will be based on the *Karnataka Medical Registration and Certain Other Law (Amendment) Act, 2024*, which amended the *Karnataka Medical Registration Act, 1961*, and the *Karnataka Prohibition of Violence Against Medicare Service Personnel and Damage to Property in Medicare Service Institutions Act, 2009*. The skit will explore the rights and responsibilities of both doctors and patients, along with significant court interpretations of laws governing doctor-patient relationship.
